

CBEYOND®

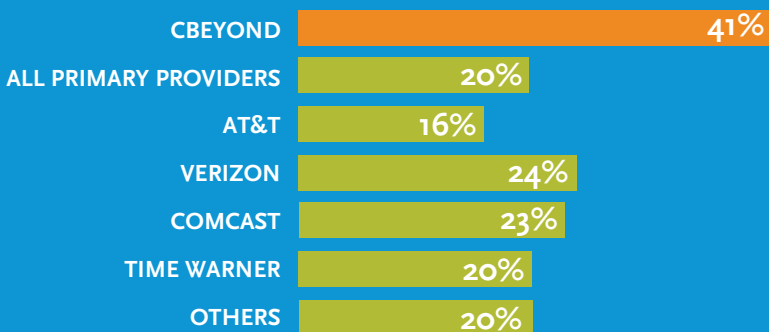

**CBeyond** is a group of entrepreneurs serving entrepreneurs. Our customers have been able to boost **PROFITABILITY**, increase **PRODUCTIVITY** and **PROTECT** their valuable assets with Cbeyond.

- Comprehensive, innovative IT services and communications solutions
- On-site installation support and training to get you up and running
- Business-grade network with dedicated access not shared by others
- Partnerships with industry leaders such as Microsoft®, Cisco® and BlackBerry®
- Over 50 awards for customer service, product innovation and growth
- Technical and support experts on call 24/7/365
- Over 57,000 small business customers nationwide
- Debt-free and traded publicly on NASDAQ (CBEY)

**AT CBeyond**, we firmly believe our greatest accomplishment is a satisfied and successful customer. That's why we're so proud of the fact that a third of our new customers are from referrals.

Cbeyond's overall customer satisfaction ranked higher than Verizon, Comcast and Time Warner. Nothing makes us happier than hearing from customers who have learned why Cbeyond is the best choice for small business – just like these customers.

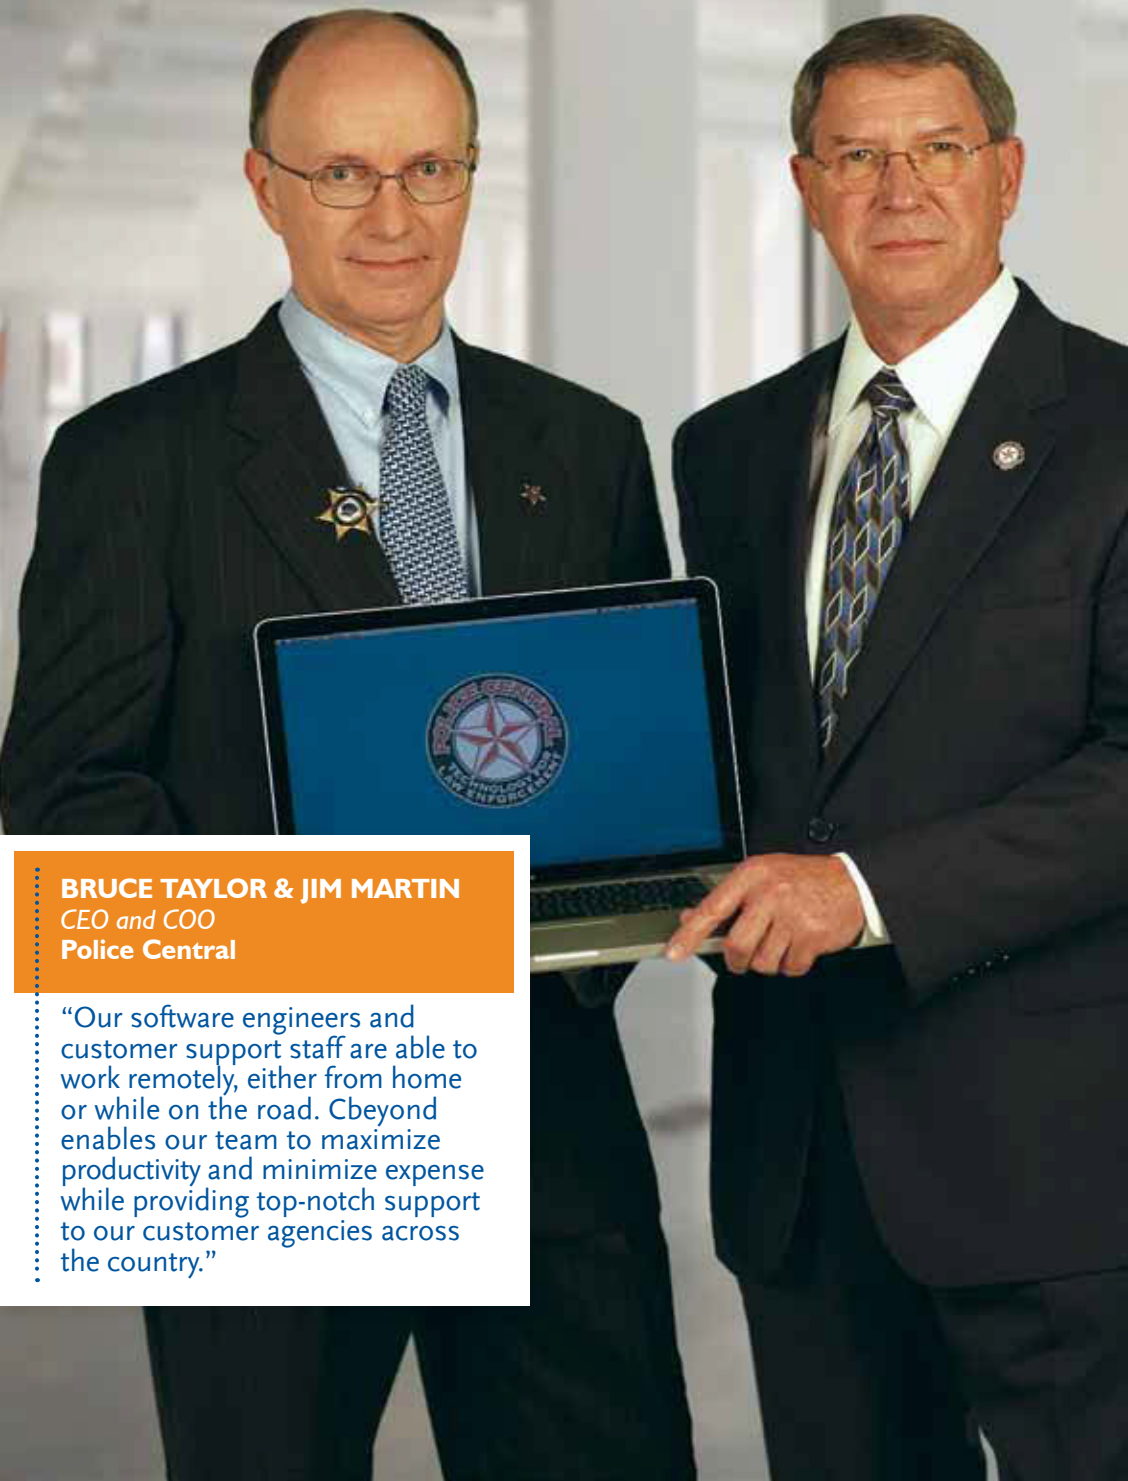

## Willingness to Refer\*

*\*Our customers are two times more likely to refer Cbeyond than customers of these other IT services and communications providers.*

# Productivity

## **BRUCE TAYLOR & JIM MARTIN**

*CEO and COO*

**Police Central**

“Our software engineers and customer support staff are able to work remotely, either from home or while on the road. Cbeyond enables our team to maximize productivity and minimize expense while providing top-notch support to our customer agencies across the country.”

A man with glasses, wearing a white dress shirt and a blue patterned tie, is walking and carrying a black messenger bag. He is smiling slightly and looking towards the camera. The background is a blurred city street with buildings.

**TODD LITTLE**

*Principal*

**Allied Business Services, Inc.**

“The fixed monthly fee has allowed us to budget and manage these costs for a long period of time and work with one provider to minimize the number of vendors we use for these services.”
