

Designed with your  
**SMALL BUSINESS**  
 in mind

**Choose Cbeyond’s Voice-only PRI service when quality and performance count.**

Are you looking for a premium Voice service with a low-cost, predictable billing rate... all without having to invest in new equipment? Take advantage of our Cbeyond business grade Voice-only PRI solution, which includes cost effective long distance rates and Toll-free blocks, designed to boost your company’s profitability. The PRI Voice package includes one PRI circuit, 23 Voice lines and up to two additional Analog lines.

Voice communications will always remain a business necessity. Enjoy competitive, Voice-only PRI services and experience the added benefit of working with the legendary Cbeyond Customer Support team, always available, every day, 24/7/365. Cbeyond’s service is second to none.

We have additional productivity-enhancing business applications upgrades to complement the Voice-only PRI package. Fax to Email and Virtual Receptionist are affordable add-on services that boost employee productivity.
