

## Business Local Phone Services

Lightyear's Local Phone Services provide unsurpassed cost-effectiveness and quality for all of your business's local calling needs. **Lightyear BizLocal Calling Plans** and **Lightyear Local PRI/Digital T1 Services** offer the most dependable service available anywhere, with Team Lightyear representatives available 24x7 to answer your questions.

### Lightyear BizLocal Calling Plans

Lightyear's **BizValue** and **BizUnlimited** Local Calling Plans offer unlimited local calling for one flat monthly fee per line.\* You get simple, reliable and cost-efficient phone service for all of your business's locations from one company – Lightyear – founded in 1993 and known nationwide for its customer service. Maintain your existing phone numbers and get free, state-of-the-art advanced calling features, all at unparalleled savings. Local and long distance charges are conveniently combined on one bill. No onsite installations required.

**Our Guarantee:** If you don't realize noticeable cost savings or if you aren't completely satisfied after the first 90 days of signing up for Lightyear Local Phone Service, you may cancel without any early termination penalties.

### BizValue

The perfect plan for companies with low long distance call volumes – unlimited local calls and advanced calling features, all for one flat monthly rate per line, combined with long distance at aggressive rates.

### BizUnlimited

The perfect plan for companies with high long distance call volumes – unlimited local and long distance calls nationwide, with advanced calling features.

\*Charges for international calls are billed separately and rates will vary depending upon the country called. BizValue and BizUnlimited pricing may vary by geographic locations and availability. Some features may not be available in all areas and/or additional features may be available at an additional charge. BizUnlimited phone service does not support DSL Service. After the first 3,000 minutes per line of direct-dialed, long distance voice calling, Lightyear will evaluate whether it can continue to provide the BizUnlimited Service to the Customer. One year term required for either plan. Customers with PBX, PBX-like equipment and auto-dialers are not eligible for the BizUnlimited plan and calls to on-line services, broadcast fax transmissions and data usage traffic is prohibited under the BizUnlimited plan. Plan applies to only domestic outbound voice calls made from the business location. Customers with four (4) lines or more at a single location in the BellSouth areas will be subject to an Enterprise Line Surcharge per line, for all lines at that location in addition to normal Local Line charges.
