

ABOUT POWERNET GLOBAL

A leader in the telecommunications industry for nearly two decades and multi-award winning company, communications provider PowerNet Global provides voice, data, SIP, and managed solutions to commercial and residential customers nationwide. Headquartered in Cincinnati, OH, PowerNet Global has achieved consistent growth by developing and marketing an expanding array of competitive products and maintaining a clear focus on delivering unrivaled service to its partners and customers.

Ethics & Integrity

The core values PowerNet Global was founded on are spirituality, integrity, compassion, conviction, and flexibility. When you do business with us, you can be assured that you are working with an organization that is loyal, trustworthy, and sincerely cares about you and your business.

Leading-Edge Technologies

PowerNet Global offers an expanding array of progressive products to accommodate all of your telecom needs. We are a premier provider of voice, data, SIP, and managed services that are supported by a consistently expanding footprint, strong network, and dedicated support teams.

High-Quality Service

Whether it's our services or support, we strive to provide our customers with the highest quality solutions and resources available. We have an expert back office that provides faster provisioning and service, as well as a strong network that provides you with the reliable service you need.

Competitive Pricing & Great Incentives

We provide affordable solutions for our customers as well as opportunities to change, add, remove, and bundle services so you can save even more when you choose PowerNet Global as your service provider.

Flexibility & Convenience

It's our belief that our services should fit you and your needs. We don't believe that one size fits all, which is why our services are flexible and scalable to provide you with a customized fit. We also provide our customers with online services and tools to retrieve account information, reports, and news instantly.

Dedicated Support

Our services are supported by expert sales professionals and support teams that are dedicated to providing our customers with the support they really want to be able to focus on other matters and leave the details of your service to us.
